## Experts Directory:

### A-Z by area of expertise

Welcome to the Plymouth University Experts Directory. This guide provides details of our academics' special interest areas, and how the media, businesses and members of the general public can contact them directly.

This is not an exhaustive list and the Public Relations team will continue to update the directory at regular intervals. If you have any suggestions about the contents or ease of use, please let us know at [publicrelations@plymouth.ac.uk](mailto:publicrelations@plymouth.ac.uk) and we can reflect your feedback in future revisions.
