Choice of 2 fieldtrips:

Hidden glaciers on Earth and Mars (with Dr Katie Miles and Adam Hepburn, Aberystwyth University)

Or

Devil's Tower – Wyoming, USA (with Dr Tracy Aze and Dr Jacqui Houghton)

16:00 Fieldwork in the Geoscience Panel Q and A

16:30 Thanks and Farewell

29th June 2021 Careers and Workshop day

9:15 Live welcome and introduction
Dr Sarah J Boulton, University of Plymouth

9:30 Finding a sustainable future in Geoscience
Dr Natasha Dowey, Sheffield Hallam University

9:45 Humble beginnings, hard work, building confidence, breaking barriers in geoscience and raising a family
Dr Marie Cowan, Geological Survey of Northern Ireland

10:00 Unexpected geo-adventures
Dr Rehemat Bhatia, Natural Environment Research Council

10:15 Roam if you want to: wanderlust and life of a palaeontologist
Prof Anjali Goswami, Natural History Museum

10:30 Break

10:40 Careers in Geoscience – Speakers Q and A

11:15 Break

11:30 Dealing with change, challenges and opportunities Panel Q and A

12:30 Applying for University Panel Q and A

12:30-13:00 Lunch

13:00 – 13:50 Choice of virtual workshop:
Volcanoes, landslides, tsunamis – why look at one? Let's do them all!
Dr Irene Manzella, University of Plymouth

Peruvian glaciers and water resources
Dr Caroline Clason and Dr Sally Rancecroft, University of Plymouth
Forensic geoscience: Using geoscience to solve crimes!
Elspeth Wallace, ICRAAG

14:00-14:50 Choice of virtual workshops:
Microfossils as windows to past climate
Dr Tracy Aze, University of Leeds

Telling the time with sand grains
Dr Rachel Smedley, University of Liverpool

Adventures on Mars
Divya M Persaud, University College London and NASA Jet Propulsion Lab

15:00 Live thank you and goodbye
Dr Jodie Fisher, University of Plymouth
