Connecting children with local nature: UK research showcase & networking event

Jointly run by:

University of Brighton

17-18 June 2019

University of Brighton, Grand Parade campus

This interdisciplinary event will provide a unique opportunity to:

- Showcase and share best-practice on research, interventions and impact evaluation related to connecting children with nature on their doorstep
- Facilitate collaborations and identify demand-driven, scalable and cost-effective interventions.

Who? Open to academics, practitioners, educators/teachers, and students.

Cost? £20 per day (discount rate for students, practitioners, unemployed).

Will contain plenary, 15-min and lighting talks, poster sessions and round-table discussions.

BOOKING WILL GO LIVE IN JANUARY 2019!

Any questions? Please contact the event organisers: Dr Rachel White (r.white2@brighton.ac.uk) and Dr Deborah Harvey (d.harvey@rhul.ac.uk)
