Welcome to NSBM Green University Town Summer Program 2019. We have prepared a vastly diverse and fun packed summer program for you in order to make the NSBM summer program an unforgettable experience. In this booklet you can find all the ins and outs about activities that have been lined up especially for you and all the other relevant information for the summer programme.

ABOUT SRI LANKA

Lying between the more trodden parts of India and Southeast Asia, Sri Lanka’s history, culture and natural beauty are undeniably alluring. It has a rich and proud history of over 2500 years and blessed with natural beauty which can make you fall in love with country instantly.

Sri Lanka is a diverse and multicultural country and its people are well known for their hospitality and smiles; thus it can be concluded as a very welcoming nation. With Endless beaches, timeless ruins, welcoming people, herds of elephants, killer surf, cheap rice, fun trains, famous tea, flavorful food, newly gained peace and improved infrastructure Sri Lanka had been repeatedly named the next tourist destination.
HISTORY
Sri Lanka's 2500-plus years of history can be discovered at ancient sites where legendary temples boast beautiful details even as they shelter in caves or perch on prominent peaks. More recent are reminiscent colonial fortresses, from Galle to Trincomalee.

Few places in the world can offer the traveler such a remarkable combination of stunning landscapes, pristine beaches, captivating cultural heritage and unique experiences within such a compact location. Within a mere area of 65,610 kilometers lie 8 UNESCO World Heritage Sites.

GEOGRAPHY
Sri Lanka is a tropical country with dazzling white and often untrodden beaches where you can enjoy enough sun shine. Sri Lanka has 1,330 kilometers of coastline - much of it is pristine beach. When you are ready to escape the tropical climate of the coast and lowlands, head to the hills, with their temperate, achingly green charms with beautiful plantations of famous Sri Lankan tea.

Sri Lanka also has 15 national parks showcasing an abundance of wildlife, 250 acres of botanical gardens, 350 waterfalls, 25,000 water bodies. Oodles of elephants are another major attraction.

ECONOMY
Sri Lanka is a developing country with an emerging economy. At present many development projects are being carried all-round the country.

Sri Lanka's GDP in terms of purchasing power parity is second only to the Maldives in the South Asian region in terms of per capita income. Sri Lanka is famous for its production and export of cinnamon, rubber and Ceylon tea, which remain a trademark national export.

SAFETY
Sri Lanka was named as one of the safest countries to visit by the U. S., the Department of State's in the year 2018. Also, all the visits and sightseeing are accompanied by the program coordinators.
NSBM Green University Town is the first ever green university in South Asia and sets an example for the whole South Asia by paving the way for environmental sustainability. Established under the Ministry of Skills Development and Vocational Training, NSBM is renowned for its world-class academic offerings.

Anyone can gather inspiration through the University and its vast expanse of 26 acres.
