

OUTDOOR LEARNING: **CONSULTANCY**

Beyond the Classroom:

creative curriculums

Thursday 28th March &
Friday 29th March 2019

Cherry Garth
Scout Campsite,
Humberston
DN36 4SJ

Programme

Beyond the Classroom is an Outdoor Learning Conference aimed at teachers and outdoor professionals who are inspired to take learning outdoors whether it be the schools grounds, local community or further afield.

Conference Themes

- innovative and creative learning styles
- reviewing and reflection
- developing self awareness & resilience
- having fun outdoors!

Keynote

Caroline Carr: Outdoor Learning Consultancy

Creativity Rules
Less is more

Consider how your curriculum can link to experiential learning through creative outdoor activities that fully embed learning both in and out of doors.

We'll consider how the new 2019 Ofsted Framework proposals fit with your school's ethos and how to raise standards through outdoor learning.

Check out our mobile Climbing Wall and find out how to book us for your school for 2019

Workshops

- **Storytelling in the outdoors:** *Narratives in nature*
- **Scientific working:** *Connecting science to inquiry based thinking*
