

Technology for learning

1. [Software on University of Plymouth devices](#)
2. [Sonocent](#)
3. [Sonocent on mobiles and tablets](#)
4. [SensusAccess programme \(Library Services\)](#)

1. Software on University of Plymouth devices

Staff and students can access the following software from UoP devices by downloading it from the Software Center

<http://ilselfhelp.plymouth.ac.uk/default.asp?id=1860&SID=&Lang=1&hqlt=software+centre>.

- MindView
- Sonocent
- TExtHelp

Staff: Please note that on the new laptops and computers deployment, you only need to type the name of the software in the bottom left search icon to find it and pin it in your desktop.

Students: when using UoP laptops across campus, students will have direct access to the software in the same way. Any queries, library/Open Access IT support services staff will be able to help them. Please be aware that the student will need to access to the software this way every time the log onto a computer.

A license key is not required as the software is already downloaded in the equipment.

2. Sonocent

On personal devices

Staff and students may access a copy of Sonocent Audio Notetaker for use on their personal devices by downloading the software from:

www.soncoent.com/get

Please use license key 1AN-B3N5-8MHP7M-F6V7HMV-508X4W when prompted as part of the installation and initial setup.

Staff and students **must** use their @plymouth.ac.uk email address so we can quickly verify eligibility.

Access will be granted for 14-days pending activation. Any queries please email Disability Services ds@plymouth.ac.uk, as we monitor this licence.

On UoP owned computers

Staff and students requiring Audio Notetaker on UoP owned device should **NOT** use the loan license above. Their use is covered under the site license and may be accessed via the Software Centre/Search icon as described above in point 1.

3. Sonocent on mobiles and tablets

Please see the link below for the app portal and instructions to download the software on mobiles and tablets.

With Sonocent Recorder mobile app, you can take recordings, colour highlight audio and add photos with a few taps, for more information and videos on how to use it go to <https://www.sonocent.com/en/>

1. Capture <https://www.youtube.com/watch?v=RyIRPUlf66c>
2. Annotate <https://www.youtube.com/watch?v=5gvBkNEpoKk>
3. Review <https://www.youtube.com/watch?v=P3NxKTJ6O-g>
4. Engage <https://www.youtube.com/watch?v=eXBckJ-Ta4E>

Instructions to download the software on your mobile or tablet device:

Go to <http://linkapp.sonocent.com>

1. Enter your University of Plymouth email address on the app portal
2. You would then receive an email validating your email address
3. Once confirmed, you would then be directed to a web page providing you with a pin number for the app
4. You would be able to download the Sonocent Link App on your mobile device
5. You would then enter the pin number, as instructed on the App (at which point, you are ready to use the app)

4. SensusAccess programme (Library Services)

Staff and students can access this programme from the Library Services Website

<https://www.plymouth.ac.uk/student-life/your-studies/library>

This system allows you to convert a document onto an alternative format i.e. braille, plain text or powerpoint presentation onto mp3, pdf to word ,audio, e-book or even braille.

You will find a video explaining how to use this programme in the Library services link above.
