

Hello.

What a summer we are having in Devon at the mo.

I spent a couple of hours down by the riverside with my son and his mates the other day.

While they played in the water I found myself in a flow state making a stone marimba, tapping the stones to get the clearest ring and arranging them in a scale and then playing simple, high pitched rhythms.

Loved it.

What had you in a flow state recently?

Do tell! Email me back if you want to and have a mo.

Treat yourself CPD in Devon 20-22nd September 2019.

I am excited about running two training events this autumn, one in Storytelling, the other is the Natural Musicians facilitation training.
