

### Record of peer feedback

Feedback is an essential part of the learning process. Through engaging in peer review and receiving feedback from a number of peers, students are exposed to a greater diversity of perspectives as well as enabling students to develop skills in peer review and feedback.

These records can be completed by peers i.e. other students who have worked alongside you or have had the opportunity to discuss your learning needs with you. If you have facilitated a teaching session on placement you can use the form below to obtain feedback.
