

Make a Time Capsule

Here are some things that you could put in the capsule:

Write a letter to your future self including your age, friends and favourite things.

What do you want to be when you grow up?

What do you like doing at home?

What is your favourite game or toy?

Paint or draw pictures to put into the capsule.

Cut out articles from a newspaper that you think would be important to look back on or draw your family.

You could write about your experience in lockdown.

When you've packed everything in seal it all up and find a place in the garden to bury it or a safe place in your house.

Challenge:

You could try to keep a diary of your time at home, updating your capsule everyday!
