PLYMOUTH

Although you have interrupted from your programme of study, you were regarded as attempting one or more modules by the Award Assessment Board and you are therefore eligible for results.

For more detail to accompany the brief points below, please visit www.plymouth.ac.uk/results

- **Confirmation of marks**

Please use the above link for a detailed explanation of the policies and procedures leading to the publication of your results.

- **Appeals**

To appeal against the decision of the Award Assessment Board, you must do so by the published deadline on the Faculty Result's page.

- **Extenuating Circumstances**

If you have submitted valid extenuating circumstances during the year, these will have been considered by the Award Assessment Board.

- **Return to the programme**

You must complete your programme within six years of your first enrolment which includes any outstanding practice time that needs to be made up. Students expecting to return in September 2019 should already have contacted the School of Health Professions.

If it is your intention to return at a later date please contact the school six months before you expect to return. Please notify the school of your planned return using the mail addresses at the end of this sheet.

Any return to the programme will be subject to available vacancies. Satisfactory enhanced Disclosure and Barring Services (DBS) and Occupational Health checks will also be required.

Please note an interrupt to study is normally for no more than one year. If we do not receive notification of your intention to return at the end of this period we will assume you are withdrawing from your programme and will take appropriate action.

- **Outstanding Debts**

If you have any outstanding debts with the University, you may be unable to receive any award that may be due. Please contact Finance and Sustainability on 01752 588130 or email studentaccountsteam@plymouth.ac.uk
