

SCHOOL MENTOR USER GUIDE :

10. Interim Grades

This tab is used for final year placements only (BEd Year 3 and PGCE Primary 2) and will be completed just over half way through the placement. It records the stage your student(s) are currently working at against each of the eight standards.

Once it has been completed and submitted your student will receive an automated email letting them know that it can be viewed through their ePAD.

To input Interim Grades, select the relevant student and then the 'Interim Grade' tab:
