RAEng Frontiers Champion - **Recycled Aggregate** Concrete in South East Asia

Dr Boksun Kim
Frontiers Champion

recycledaggregateconcrete@plymouth.ac.uk

Consortium for Recycled **Aggregates** in Concrete

Consortium for Recycled Aggregates in
Concrete

Listed group

- <https://www.linkedin.com/groups/8992966/>
- Open for global research communities.
- Welcome policy makers, practitioners, innovators, social scientists and educators.
- Please join us if you are interested.
- If you are already a member, please invite experts in recycled aggregates to the consortium.

Webinar Schedule

Webinar	Title	Date in 2021
Webinar 1.	Recycled Aggregates and Use in Concrete Construction: The Basics Professor Ravindra K Dhir OBE, Universities of Birmingham and Dundee UK and Trinity College Dublin, Ireland	Jan-19
Webinar 2.	Sustainability of recycled aggregates Dr Rafiza Abdul Razak & Prof. Mohd Mustafa Al Bakri Abdullah of Universiti Malaysia Perlis, Malaysia	Jan-26
Webinar 3.	Effects of recycled aggregate concrete on societies Dr Norshahrizan Nordin of Universiti Malaysia Perlis, Malaysia	Feb-09
Webinar 4.	British Standards and the use of recycled aggregate in concrete Dr Chris Clear of the Chair of the British Standards Technical Committee for Concrete, UK	Feb-23
Webinar 5.	Performance of recycled aggregate concrete: strength and stiffness Professor Jorge de Brito of the University of Lisbon, Portugal	Mar-09
Webinar 6.	Performance of recycled aggregate concrete: durability Professor Kevin Paine of the University of Bath, UK	Mar-23
Webinar 7.	Case studies of recycled concrete aggregate in concrete in India Dr Sivakumar Kandasami of L&T Construction in India	May-11
Webinar 8.	Quality control of recycled aggregate concrete Dr Arvind Suryavanshi of PT Pionirbeton Industri, A group Company of Heidelberg Cement, Jakarta, Indonesia	May-25
Webinar 9.	Standardisation of recycled aggregate concrete Dr Moray Newlands of the University of Dundee, UK	Jun-08
Webinar 10.	Design strategy for recycled aggregate concrete Dr Natt Makul of Phranakhon Rajabhat University in Thailand	TBC

The recordings and presentations of the previous webinars are now available on the [project website](#).

Today's webinar

Webinar 5 on March 9, 2021

Performance of Recycled Aggregate Concrete: Strength and Stiffness

By Professor Jorge de Brito of the University of Lisbon, Portugal

MAR
09

**Performance of Recycled
Aggregate Concrete: Strength
and Stiffness**

by RAEng Frontiers Champion, Dr
Boksun Kim

Webinar 6 on March 23, 2021

Performance of Recycled Aggregate Concrete: Durability

Professor Kevin Paine of the University of Bath, UK

MAR
23

**Performance of Recycled
Aggregate Concrete: Durability**

by RAEng Frontiers Champion, Dr
Boksun Kim

- Email: recycledaggregateconcrete@plymouth.ac.uk

Big Thank You to

- The Speaker, Professor Jorge de Brito,
- My co-host, Gemma Davis,
- All attendees,
- Digital Marketing Team at the University of Plymouth and
- The Royal Academy of Engineering for funding this project and webinars.
