University of Plymouth Compass

While you're at Plymouth, we hope you'll gain more than just your degree.

The University of Plymouth Compass helps you to navigate your way through your whole university experience, in both your taught curriculum and your extra-curricular activities. What you learn at university prepares you for more than a career, so the Compass identifies key attributes in four broad areas of your life – academic, civic, professional, and personal. During your time here, you’ll have plenty of opportunities to practice and develop these attributes, helping you gain experiences, improve skills, and build networks for your life beyond graduation.

The Compass also supports us, as a community, to coordinate our efforts to offer you as broad an education as possible. It clarifies what the University values and what it anticipates will help you, as a graduate, in a future that is hard to predict.

As a Plymouth graduate, you will be ready to play an active role in shaping a sustainable society and economy, understand the importance of managing your own career, and promote a positive work-life balance. There will be opportunities to develop and practice your:
