

PPG Recruitment Strategies

Are **YOU** coming?
All patients welcome!
Health & Wellness Open Day:
Saturday, 23rd April 10am-2pm
ASK ME FOR MORE INFORMATION

GP Services are changing...
RIGHT NOW your local NHS is in the process of making decisions about **WHERE** and **HOW** you and your families will access GP (local doctor) and other local healthcare services in the future.

Fact Finding Community Meeting
Saturday, 25th June 1:30—3 p.m.
Walthamstow Girls School
Church Hill E17 9RZ

YOUR Input Welcome
 Before the plan is finished your local NHS want to hear from **YOU!** Questions, feedback, ideas—local knowledge—are welcomed.

Places LIMITED: Book by emailing
gen@gmjford.com

Addison Road Medical **Patient Participation Group**

Addison Road Patient Survey 2016

The voices of patients and carers are becoming more and more important in how all parts of the NHS are run.

The Addison Road **Patient Participation Group** are a group of patients who have volunteered to help improve things at the practice. We started in 2015. We want you and your family get the best possible care and service from Addison Road.

Last year we ran a very large survey of what patients thought about the practice. Since then, among other things, we've been working on getting the phone system replaced and getting better access to appointments for patients who most need care. **We've made some progress, but we're not there yet!**

Now we would like to hear what patients think about the practice now - and what they think we should be working on in the next year.

Please take 10 minutes to let us know what you think - about the care you receive; how the practice communicates with you; whether you receive support in your role as a carer - and how you would like to communicate with the practice...

Unless you choose to pass on your contact details your answers are totally anonymous - we cannot identify who has submitted any answer.

THANK YOU!
 Gen Ford (Patient Group Chair) gen@gmjford.com

Please feel free to contact me if you would like to be added to our email list - or if you would like to become involved in the activities of the Patient Group.

Patient Participation Group
