Bid title:

Please comment briefly on the suitability of the bid for PRTI funding on the basis of the following criteria:

1. Does the bid address an appropriate area?

2. Does the bid have clear aims and/or research questions?

3. Are the methods appropriate and clearly articulated?
   Please consider this question with respect to the proposed timescale of the project, the scale of the work that has been proposed and the methods of data collection and analysis they are intending to use.

4. Is appropriate academic literature/theory used to support the bid?

5. Is the scale and quality of the project such that, depending whether the project is focused on teaching innovation / pedagogic research, it is likely lead to either REF-able outcomes or significant changes in practice?

6. If the bid proposes to include students as partners, is this relevant to the project and clearly articulated?

7. Does the suggested budget offer good value for money?

8. Are appropriate dissemination routes identified?

9. Does the bid include inter-disciplinary or external collaboration?

10. Do the bidders have a record of supporting teaching and learning/pedagogic research projects/publications?
