

The Collaborative Provision Register is organised according to University Faculties (see bookmarks above) and alphabetically within each Faculty by Regional/National/European and International partners

[The University's Taxonomy is appended for your information.](#)

The external version of the Collaborative Provision Register (Combined Faculties) will be updated at three points during each academic session – usually December/April/September.

Programmes highlighted in blue have been discontinued for new cohorts, but students remain (ie being taught out)

Last updated - April 18
