Your New Community Park!

The news so far

The Derriford Community Park team have been working hard to improve the condition of land along Seaton Valley for the benefit of wildlife, biodiversity and the surrounding communities.

Together With the help of volunteers we have planted over 600 metres of new hedgerow, managed the grassland by grazing cattle and removing thick scrub, and have also started managing the woodlands on site. But the work doesn’t end here...

So what’s next?

The priority will be developing community access to the park by establishing a network of footpaths across the site. We will also be continuing our habitat management work such as tree planting, hedge laying and wildlife surveying.

JOIN US!

We’d love to see you at one of our community events. This is your chance to come in, help us plant trees and give us your feedback on the project so far.

We want YOU to help shape your Community Park
Derriford Community Park

UPCOMING EVENTS

TREE PLANTING
Edible Hedgerow

Saturday 18th February 10.30am – 3pm
Help us plant new hedgerow across the site. We will be planting in the field below Charlton Crescent.

Meet at the end of Hunters Close PL6 5DW

TREE PLANTING
Orchard

Saturday 11th March 10.00am – 3.30pm
Help us plant our new Community Orchard which will then provide resources for food, drink and education in the future.

Meet at Poole Farm PL6 8NF

VOLUNTEER DAYS

Join us for our regular volunteer days!
Every Tuesday 9.30am – 4pm
Your chance to get involved in various practical farm and countryside management tasks.

Meet at Poole Farm PL6 8NF

* Come prepared for wet weather and wear practical footwear as the ground can get very muddy! You will need to bring a packed lunch and a drink. Please contact us for more info.
