Important Information

- Attendance and satisfactory completion of the Academic English Course for Research students will usually not be the only condition of your offer. Please check your degree programme offer letter for full conditions. Progression to a postgraduate research degree programme will require ALL conditions of your original offer to have been met.

- Successful completion of the pre-sessional will not give automatic access to degree programmes other than at Plymouth University, and students will not be given IELTS equivalent grades on completion.

If you have any queries about these conditions, please contact the Admissions Office.

You must bring the originals of all academic documents available when you travel to Plymouth for the academic English course.

Please remember to enclose a copy of your IELTS Certificate with this registration form and a copy of the information page of your current passport.

Please note that in order to study on a pre-sessional programme you must hold a valid UKVI approved academic IELTS test. This must have been taken within the last 2 years at a test centre approved by UKVI and will have a SELT unique reference number printed on the IELTS certificate.
